

**On the First Day of Christmas,  
my true love gave to me...**

## **A Pomegranate in a Pink Apple Tree**

**If you're looking for a mocktail that is fizzy, fruity and festive, then look no further as this layered drink tastes as good as it looks.**

### **Ingredients (serves 2)**

500ml innocent apple juice  
150ml cloudy lemonade  
a dash of grenadine

Pour enough innocent apple juice to fill a tall glass about three-quarters of the way, and then top up with cloudy lemonade and a dash of grenadine.

If you fancy decorating your mocktail a bit, cut an apple (we like pink ones) into thin slices and pop two on top, add a couple of glace cherries and sprinkle with a touch of pink decorating sugar.

**We worked with 12 bloggers and asked each of them to create their own festive mocktail inspired by one of the 12 Days of Christmas. This delicious mocktail was created by Karen at Lavender & Lovage.**
